Pam's Hat

**Text by Angela Weeks
Illustrations by Dick Weigall**

Pam's Hat (43 words)

How to get the most from this book

Before starting

1. Revise the letter sounds in the book

s, a, t, i, p, n
c, k, ck, e, h, r, m, d

2. Practise blending the sounds in unfamiliar words in the text

- Teach the student to blend letter sounds in regular words, eg, 'h-a-t' is 'hat'
- Say the sounds quickly to hear the word
- Say the first sound in the word louder - it makes the word easier to hear

3. Teach the special words in the text by telling the student what they say and provide practice through matching games and Snap

a, the, on

4. After the reader has read the text, or the relevant page, ask them one or more of the following questions:

1. What does 'rip' mean?
2. Have you ever ripped anything? What were you doing?
3. Do you think Pam did a good job of mending her hat? Give a reason for your answer.
4. What have you, or someone you know, mended? How did you do it?

Why this approach?

In order to read a book successfully on their own, students need to be taught how to blend the sounds of the words in the book, and remember the irregularly spelt words, before they are asked to read it. Without this preparation, they may find reading difficult and become discouraged. The questions aim to increase vocabulary and encourage the student to relate the text to their own knowledge, feelings and experiences, so that reading is meaningful.
